Welcome...

On behalf of MEN OF RUBBER, STUDIO R, WET INTERNATIONAL, and MOTHER NATURE, I welcome you to "CAMP M.U.D. II".

Several have asked what the M.U.D. stands for. It has a dual meaning. Spelling out MUD is obvious---our underlying theme of the run. It also is an acronym for MEN UNDER DURESS. We have made a major effort to provide any number of ways that our campers can be under duress. Mud, w/s, lube, and enemas to name a few. But there are those attending solely for the duress of suspension, total immobilization, kidnapping, and discipline scenes.

So come and get messy...or come and get tied...or come and get tied and messy. Have it <u>your</u> way!

Familiarize yourself with the camp policies in this program. Enjoy yourself. Play safe. And let us know if there is anything we can do to make your fantasies come true!

We acknowledge our corporate sponsor, WET INTERNATIONAL, thank our advertisers, and a special thanks to Al Kamke for offering this grand site to us on a short notice.

Messy Regards,

Fantasies...

Our campers will be arriving with a wide variety of fantasies and varying levels of experience. While sane and consensual will apply to all activities, we do recognize that as adults, you have your own interpretation of safe, sexual play. In the formal dungeons, there will be no w/s, scat, or unprotected sex allowed. These areas will be monitored by a DungeonMaster. On the remaining campsite acreage, you are urged to use good judgment.

If you need assistance in finding a partner for play or a specific fantasy, use the bulletin board or see MajorMud.

Drugs

We will have ZERO TOLERANCE for non-prescriptive drug use at "CAMP M.U.D. II". Abuse this drug policy and expect a swift eviction from the campsite. Poppers are allowed.

Photography...

We fully respct those campers who do not wish to be photographed. Please get permission from your subjects before you shoot. Photos shot by campers are for their personal use, and are not to be sold, distributed, or published. The same applies to videotaping. Thanks for your cooperation. STUDIO R will be shooting photos for the MR website, newsletter, and several national publications. We may have a professional videographer on hand to document the lube wrestling and some of the mud pit activities.

Mud & mess restrictions...

We encourage you to get muddy and messy as you like. But a few rules of the road apply. Leather slings and the formal dungeon areas are not to be used for messy scenes. Same holds for the sleeping rooms. You will need to do some preliminary de-mudding before using the showers. A hosing area has been designated for this task.

SPECIAL NOTE: Full nudity in front of the barn or on the new deck is discouraged as it is just too close and in line-sight of the public highway. Thanks!
